to which this declaration relates, are complaint with the requirements of the following directive

Directive 2002/95/EC

on the restricted use of certain hazardous substances in electrical and electronic equipment (RoHS)

The listed products are exempted from the restrictions laid down in the RoHS directive because they belong to Category 9 (Monitoring and Control instruments) in Annex I A of the Directive 2002/96/EC (WEEE).

Although the products are beyond the scope of both RoHS and WEEE directive, Danfoss District Energy is still committed to restrict the use of the substances listed in the two directives – i.e. lead, cadmium, hexavalent chromium, mercury and polybrominated flame retardants (PBB and PBDE).
